

COMMENCEMENT EXERCISES May 6, 2009

BROWARD COLLEGE

OMNI AUDITORIUM
NORTH CAMPUS

10:00 a.m.
and
1:30 p.m.

Broward College joins over 100 colleges and universities across the country in urging spring 2009 graduates to take the graduation pledge. Students who have signed the graduation pledge are wearing a green ribbon to recognize their commitment to social equity and healthy ecosystems. Faculty who support the students who signed the pledge are also wearing green ribbons.

ALMA MATER

Broward Gracious Alma Mater.
We thy name revere.
May each noble son and daughter cherish thine honor dear,
May thy lamp be ever bright guiding us to truth and light.
As a beacon o'er dark water.
This is for thee our prayer.

May the years be kind to Broward.
May she grow in fame,
May her children fail her never.
True to her beacon flame,
May her spirit brave and strong honor right and conquer wrong.
This is the burden of our song.
Ever her truth proclaim.

(Guests remain seated during recessional)

*EVERYONE PLEASE STAND

COMMENCEMENT SPEAKER

M. Scott Whiddon

M. Scott Whiddon's grandfather, Col. O.R. Whiddon, was an integral part of the growth of Fort Lauderdale and its surrounding communities when he established the Causeway Lumber Company. His father, Gene, expanded on that role, helping to build social infrastructure as well as providing lumber and other building materials to the rapidly growing area. Gene Whiddon was a driving force behind creation of the Broward College Foundation and served as its first chairman.

Scott Whiddon took over the reins of Causeway Lumber Company from his father in 1989. Like his father, he also works tirelessly to serve his community. He is a longtime member of the Broward College Foundation board of directors and also serves a variety of other community organizations. He is past chairman of the Young Presidents Organization and past president of the following Rotary Club of Fort Lauderdale, the Broward Workshop, the Construction Association of South Florida, the Fort Lauderdale Executive's Association. He is a member of the board of directors of the Hundred Club of Broward County and the Florida Building Materials Association. He currently serves as secretary-treasurer of NorthStar Community Church.

Whiddon earned his Bachelor of Science in Business Marketing in 1980 from The American University in Washington, D.C. where he interned for several Florida congressmen. He joined the family firm in a full-time capacity upon his return to Fort Lauderdale in 1981. Causeway Lumber Co. has consistently been ranked among the top 100 Building Material Dealers in the U.S. annually.

Family is central to Scott and Margaret Whiddon's lives. Together, they are parents to four daughters: Lindsey, Stephanie, Caroline and Alexandra. They live in Fort Lauderdale, but travel together and enjoy snow skiing.

COMMENCEMENT SPEAKER

Sheila D. Alu

Sheila Alu was elected to the Sunrise City Commission in 2001, and re-elected in 2003 and 2007 without opposition. She is currently serving her third term as assistant deputy mayor, and was previously selected as the city's deputy mayor. A Sunrise resident since 1992, Assistant Deputy Mayor Alu has volunteered in support of several local nonprofit child welfare organizations. She has served on the Broward League of Cities' Education Committee, the Florida League of Cities' Criminal Justice, Ethics and Personnel Committee, and the National League of Cities' Human Development Policy Committee.

Assistant Deputy Mayor Alu is a proud 1999 AA degree graduate from Broward College, and went on to attain a Bachelor of Science degree at Nova Southeastern University. In 2003, she graduated NSU with a Juris Doctor degree and was admitted to the Florida Bar in October 2007.

She currently serves as an Assistant State Attorney with the Broward County State Attorney's Office for the 17th Judicial Circuit.

She has a daughter, Christina age 18 who is graduating from American Heritage School on May 18th and following in her mother's footsteps is enrolled at Broward College to continue her education.

2008-2009

Professors Of The Year

Each year at the May Commencement, Broward College honors five faculty members who have been selected by students, faculty and staff for their outstanding contributions to teaching and learning. These distinguished Professors of the Year are recognized for their high standards, commitment to excellence and dedication to students. In honoring them, the college community is also recognizing the many dynamic, competent and caring faculty members at Broward College for whom teaching is a true vocation.

ACADEMIC COSTUME

In the medieval universities, students and teachers wore gowns indicating their status and scholastic achievements. European institutions still show great diversity in the specifications of academic dress, but American colleges and universities preferred to adopt some definite system which all could follow. Accordingly, in 1895, at Columbia University, an intercollegiate commission drafted a uniform code for the use of caps, gowns and hoods. These standards, with few revisions, are still in effect. Broward College will follow the Academic Costume Code.

Four academic degrees are generally recognized: the associate, the bachelor, the master and the doctor. The associate degrees (associate in arts and associate in sciences) are offered by the standard two-year junior colleges. The other three are conferred by universities and colleges. The bachelor's or baccalaureate degree takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree, when earned by study, indicates advanced study and independent research in a specialized field of learning. Honorary degrees are granted for meritorious service and for distinction in public or private endeavor.

Those holding a bachelor's degree wear a black gown fastened at the top, distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, usually worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve. A hood made of the same material may be worn with the gown. The bachelor's hood is three feet long, with a two-inch strip of velvet; the master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch

strip of velvet. The color of the tassel or velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: ARTS, white; SCIENCE, golden yellow; EDUCATION, light blue; ENGINEERING, orange; MUSIC, pink; LIBRARY SCHOOL, lemon yellow; BUSINESS, drab; JOURNALISM, crimson; LAW, purple; THEOLOGY, scarlet; PHILOSOPHY, dark blue. Each hood is also lined in silk with the colors of the institution which granted the degree, as for example, garnet and gold for Florida State University, orange and blue for the University of Florida.

The appropriate cap for all degrees is the familiar black "mortar board." A tassel, black or a color signifying the field of specialization, is worn hanging to the left of the face. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the mortar board, they may wear a tassel in gold or in part of gold thread.

The mace, carried by the parade marshal, is a symbol of the authority vested in the college president. In medieval times, it was a weapon of war which was effective against the strongest armor and was used chiefly by knights. Maces were often borne by a royal bodyguard to protect the king in processions, but in the course of time (by the 14th century) they assumed more ceremonial functions and lost their warlike appearance. A mace is carried in academic and ecclesiastical processions, particularly in English-speaking countries.

At Broward College, academic distinction is noted by the addition of one or both of the following to the graduate's regalia: The tri-cords in royal blue, white, and antique gold represents the academic distinction of membership in the Honors Institute. The gold satin stole and gold tassel represents the academic distinction of membership in Phi Theta Kappa.

PHOTOGRAPHS

Parents and Friends taking photographs are asked not to block the vision of other guests or interfere with the routes of our graduates. The placement of tri-pods and other equipment that may interfere with the ceremony is prohibited. Please follow the instructions of our ushers.

Commercial photographs of the graduates will be prepared by Bob Knight Photomarketing, Inc. Names and addresses of participating graduates will be provided to the photographer for subsequent communications. Free proofs will be mailed with-in one week.
